membership benefits

The California Pharmacists Association (CPhA) believes the role of the pharmacist is essential to quality patient healthcare as the medication expert on the healthcare team. We are the only California pharmacy association serving the entire Community of Pharmacy across all practice settings and your dedicated advocate in the government, business and public arenas. CPhA evaluates current trends in healthcare and provides vital information and education essential to the future of pharmacy. When you align yourself with the powerful voice and resources of CPhA, you protect your license and your profession and your future.

Your membership provides you with many benefits including:

- **At www.cpha.com** you have instant access to industry news, legislative updates, weekly CEO messages, and our quarterly journal **California Pharmacist** (which is also mailed to all members)
- **Leadership opportunities** at the local, regional and state levels
- **Continuing Education** - CPhA's annual meeting and the Pharmacy Foundation of California's (PFC) education faire at Outlook, offers over 20 hours of CE. CPhA partners with PFC to offer on-line CE with ACPE accredited educational programs at affordable prices, through LearnSomething and in the *California Pharmacist* journal.
- Reduced rates on **Insurance Services** for all pharmacy professionals including **free Student Pharmacist Professional Liability Insurance**
- **Discounted fees** for conferences and other professional programs
- Access to professional pharmacy **legal assistance** and advice
- **Social** and **networking** events and activities
